Adding a Content Review Step

Facebook Live Stream link: https://www.facebook.com/seoinnovator/videos/10223741183309238/

This is only available for the paid plan which you can edit the workflow.

Go to the hamburger menu Explorer. Click on Rich Summary.

Click on Create Content New Folder. This is the review step. We will not send the post to the blog until it is reviewed.
